## *2008 Guidelines & Application*

The Dorsey and Betty King Scholarship Fund was established at East Tennessee Foundation (ETF) in 2007 by Brian King in honor of his parents, Dorsey and Betty King. Dorsey and Betty King grew up in Claiborne County and now reside in Campbell County, and are committed to helping provide educational opportunities to the young people from those counties. Having been involved in a business (Dorsey) and in the nursing field (Betty), they have decided to focus their support on those two areas of study. The Dorsey and Betty King Scholarship, then, is for the benefit of graduating high school seniors from **Claiborne and Campbell counties wishing to study either business or registered nursing.**

**The Fund will offer a one-time non-renewable \$1,000 scholarship to a graduating senior from a high school located in Claiborne or Campbell counties.**

East Tennessee Foundation is a public, nonprofit community foundation serving 25 counties in East Tennessee. Governed by a volunteer Board of Directors, the Foundation was created for the purpose of building charitable resources to make communities stronger and lives better through thoughtful giving.

### **Guidelines**

The scholarship is intended to support undergraduate study in the **business or registered nursing fields.** The recipient must be enrolled full-time in an accredited program at a public or private college, university or nursing program.

East Tennessee Foundation is an equal opportunity employer and grantmaker. East Tennessee Foundation does not discriminate on the grounds of disability, age, race, color, religion, sex, ethnic origin, or any other classification protected by Federal and/or Tennessee State constitutional and/or statutory law. - Applications are non-returnable and become property of ETF upon receipt.

## **Scholarship Committee**

A selection committee will be pre-selected and approved by ETF's Board of Directors. - Academic achievements, such as awards, certificates, etc.
- Participation in extracurricular activities at the school or in the community

**There will be one \$1,000 award given in 2008.** However, the Committee, in its sole discretion, may elect not to grant any scholarship in any particular year if it determines the applicants do not meet the criteria set forth herein or the income of the Fund precludes such award. Scholarship awards shall be used only for the recipient's tuition, textbooks, academic equipment, necessary housing or living expenses incurred while a full-time student and/or other necessary costs of the recipient's attendance as a full-time student.

## **Grant Information.**
